I want to terminate the order because: 1. Prevention of Homelessness & Discovery of Federal Fraud

On February 17, 2026, Respondent revoked Petitioner's authority to receive his funds. This was a necessary act of self-preservation after Respondent discovered Petitioner intended to leave him homeless while she misappropriated his income. Respondent further discovered that Petitioner, as SSA Representative Payee, failed to report Respondent's incarceration and redirected SSDI payments into her personal account from Oct 2025 to March 2026.

Petitioner is currently under investigation by the SSA and VA Office of the Inspector General (OIG).

2. Retaliatory Timeline & Contradictory Conduct

The PPO was filed on February 20, 2026, only three days after her financial access was terminated. This "fear" is contradicted by Petitioner's conduct on February 14, 2026 (Valentine's Day), when she publicly posted affectionate content regarding Respondent, and her long-term "Justice for Conrad" advocacy campaign.

3. Fraudulent Statements to Law Enforcement

On March 2, 2026, Petitioner knowingly provided false information to the Redford Police Department, claiming

Continued from 2:

Respondent never resided at 26695 Ross Dr, Redford, MI 48239. Respondent possesses a valid lease for this

address (Exhibit H). Petitioner attempted to use law enforcement to facilitate an illegal lockout and housing fraud.

4. Abuse of Fiduciary Duty & Privacy Violations

Petitioner weaponized her role as Power of Attorney to illegally obtain and disclose Respondent's private medical records and emails, violating the Physician-Patient Privilege (MCL 600.2157) and breaching her fiduciary duty.

5. Digital Identity Theft & Impersonation

Since the PPO was issued, Petitioner has hacked Respondent's Google account (conradrockenhaus2@gmail.com), sent fraudulent messages via TextFree while impersonating Respondent to third parties, and subscribed his accounts to high volumes of spam that references allegations evidence used in her application for a PPO.

6. Absence of Law Enforcement Records

Despite allegations of severe violence in 2025, there is no record of a 911 call, police report, or medical examination in any jurisdiction where the parties have resided. The lack of reporting proves these claims were manufactured for the purpose of this litigation.

7. Improper Use of PPO for Property Control

Petitioner is using the PPO as a "sword" to withhold Respondent's separate property, including the domain

Rockenhaus.com (owned since 1999) and essential digital devices (Mac Mini, iPhone, iPad).

CONRAD ROCKENHAUS,

Respondent.

RESPONDENT'S OMNIBUS MOTION IN LIMINE TO EXCLUDE STALE, FALSE, PRIVILEGED, AND UNSUBSTANTIATED EVIDENCE

NOW COMES Respondent, Conrad Rockenhaus, in pro per, and moves this Honorable Court to exclude

specific testimony and evidence from the hearing on Respondent's Motion to Terminate the Personal

Protection Order, stating as follows:

I. TO EXCLUDE THE MAY 4, 2023 INCIDENT AS STALE

1. Petitioner relies on an alleged incident from May 4, 2023. Under MRE 402 and 403, an incident

occurring nearly three years ago, followed by years of cohabitation and marriage, is "stale." It does not

demonstrate a "reasonable apprehension of violence" in 2026.

II. TO EXCLUDE THE FALSE "JORJ MICHAEL AUSTIN" ACCUSATION

2. Respondent moves to exclude any testimony regarding an alleged incident involving "Jorj Michael

Austin." This accusation is factually false and based on hearsay. Under MRE 602, Petitioner lacks

personal knowledge of this fabricated event.

III. TO EXCLUDE UNSUBSTANTIATED SEXUAL ASSAULT ALLEGATIONS

PAGE 5

3. Petitioner alleges a sexual assault in early 2025. Respondent has verified that no police report, 911 call,

or medical record exists for this alleged crime in any jurisdiction where the parties have resided.

4. Allowing an unsubstantiated felony accusation into a civil hearing without contemporaneous evidence

is highly inflammatory and violates Respondent's Due Process rights under MRE 403.

IV. TO EXCLUDE PRIVILEGED MEDICAL RECORDS AND EMAILS (MCL 600.2157)

5. Respondent moves to exclude any medical records or private emails obtained by Petitioner while she

served as Respondent's Power of Attorney (PoA).

6. Petitioner's use of these records to secure a PPO constitutes a Breach of Fiduciary Duty and an

unauthorized waiver of Respondent's Physician-Patient Privilege. Under MRE 501, the Court should not

permit the exploitation of a confidential relationship to bypass statutory privileges.

V. TO EXCLUDE EVIDENCE OF "HARASSMENT" RELATED TO FEDERAL FRAUD REPORTS

7. Petitioner is currently under investigation by the SSA and VA Office of the Inspector General (OIG) for

the misappropriation of Respondent's SSDI funds.

8. Respondent moves to exclude any characterization of his legal efforts to recover stolen federal funds or

prevent his own homelessness as "harassment." Under MRE 403, allowing such testimony would

facilitate the use of a state court order to obstruct a federal criminal investigation.

VI. TO EXCLUDE EVIDENCE RESULTING FROM PETITIONER'S DIGITAL MISCONDUCT

9. Respondent moves to exclude any data Petitioner claims to have found within the

conradrockenhaus2@gmail.com account.

PAGE 6

10. This account was accessed through unauthorized hacking and impersonation. Evidence obtained

through illegal hacking is inherently unreliable and should be excluded.

VII. TO EXCLUDE FALSE STATEMENTS REGARDING RESIDENCY

11. Respondent moves to exclude any claims by Petitioner suggesting Respondent did not reside at 26695

Ross Dr, Redford, MI.

12. Petitioner's statements to the Redford Police Department on March 2, 2026, are directly contradicted
by a valid lease (Exhibit H). Allowing Petitioner to persist in a false narrative regarding residency would
be a fraud upon the Court.

VIII. TO EXCLUDE TESTIMONY CONTRADICTED BY PETITIONER'S SOCIAL MEDIA

13. Respondent moves to exclude testimony of "fear" that is contradicted by Petitioner's positive social
media posts on February 14, 2026 (Valentine's Day) and her public "Justice for Conrad" advocacy. Under
MRE 403, such testimony is misleading and lacks probative value.
WHEREFORE, Respondent respectfully requests that this Honorable Court grant this Omnibus Motion in
Limine and enter an order prohibiting the Petitioner and her witnesses from introducing the
aforementioned evidence.
Respectfully Submitted,

/s/

Important Safety Information and Indication (continued from top)

Discuss your health with your doctor to ensure that you are healthy enough for sex. If you experience

chest pain, dizziness, or nausea during sex, seek immediate medical help.

VIAGRA can cause serious side effects. Rarely reported side effects include:

- an erection that will not go away (priapism). If you have an erection that lasts more than 4 hours, get medical help right away. If it is not treated right away, priapism can permanently damage your penis

- sudden vision loss in one or both eyes. Sudden vision loss in one or both eyes can be a sign of a serious eye problem called non-arteritic anterior ischemic optic neuropathy (NAION). Stop taking

VIAGRA and call your healthcare provider right away if you have any sudden vision loss

- sudden hearing decrease or hearing loss. Some people may also have ringing in their ears (tinnitus)

or dizziness. If you have these symptoms, stop taking VIAGRA and contact a doctor right away

Before you take VIAGRA, tell your healthcare provider if you:

- have or have had heart problems such as a heart attack, irregular heartbeat, angina, chest pain,

narrowing of the aortic valve, or heart failure

- have had heart surgery within the last 6 months

- have pulmonary hypertension

- have had a stroke

- have low blood pressure, or high blood pressure that is not controlled

- have a deformed penis shape

- have ever had severe vision loss, including an eye problem called NAION

- have bleeding problems

- have or have had stomach ulcers

- have liver problems

- have kidney problems or are having kidney dialysis

- have any other medical conditions

Tell your healthcare provider about all the medicines you take, including prescription and over-the-counter medicines, vitamins, and herbal supplements.

VIAGRA may affect the way other medicines work, and other medicines may affect the way VIAGRA

works, causing side effects. Especially tell your healthcare provider if you take any of the following:

- medicines called nitrates

- medicines called guanylate cyclase stimulators such as ADEMPAS
