MOTION

I, Conrad Alan Rockenhaus, Respondent in the above-captioned matter appearing pro se, move this Court for an order authorizing alternate service of process upon Petitioner Adrienne Marjorie Rockenhaus pursuant to MCR 2.105(I), and state:

1. Personal service of process upon Petitioner Adrienne Marjorie Rockenhaus is impracticable or cannot be achieved.
2. The last-known home and business addresses of the person named above are:

	Address	City	State	ZIP
Home	26695 Ross Drive	Redford	MI	48239
Business (None known to Respondent) -		-	-	-

Email adrienne@cannabytes.net - - -

☒ a. I believe the home address shown above is current. Petitioner identified this address as her own in a sworn court filing in this matter (Petitioner's Motion to Show Cause). Petitioner's former counsel of record (Aldrich Legal Services, PLLC) repeatedly certified this address to the court as Petitioner's address for service. Petitioner is a named tenant on a residential lease for this address. The basis for this belief is set forth in detail in the attached Affidavit in Support.

☒ b. I believe the email address shown above is current and operationally live. Petitioner's former counsel of record certified service of court filings upon Petitioner at adrienne@cannabytes.net "Via first class and electronic mail." Independent third-party electronic service was completed at this email address on May 6, 2026 without bounce, undeliverable notice, or address-not-found return. The basis for this belief is set forth in the attached Affidavit in Support.

3. I have tried to serve process on the person named above as described: On or about March 26, 2026, process server Shante Wooten attempted personal service of Respondent's Motion to Terminate at 26695 Ross Drive, Redford, MI 48239. Petitioner's vehicle was in the driveway at the time of the attempt. The individual who answered the door represented to Wooten that "Adrienne Rockenhaus" was unknown at that location. Wooten executed a Proof of Non-Service. The Wooten non-service was the predicate for this Court's prior Order Regarding Alternate Service entered March 27, 2026 (Hon. Nicole N. Goodson, P53653). The 3/27/2026 Order, by its terms, was tied to a single motion event and does not contain continuing-effect language. Petitioner has subsequently obstructed service by affixing signage to the entry door of 26695 Ross Drive instructing process servers not to attempt service there, and, more recently, by publicly representing to third parties through an associated online account that Petitioner is "missing." Further detail regarding Petitioner's continuing course of obstruction is set forth in the attached Affidavit in Support.

4. I request the Court to order service by alternate means, specifically by **(a)** first-class United States mail to 26695 Ross Drive, Redford, Michigan 48239, by a third party only, **(b)** tacking or firmly affixing to the door at 26695 Ross Drive, Redford, Michigan 48239, by a third party only, and **(c)** electronic mail (email) to adrienne@cannabytes.net, by a third party only. I further request that the Order so entered remain in full force and effect for any motion, pleading, Notice of Hearing, or other paper filed by Respondent in this matter, until further order of this Court. A proposed Order on Form MC 304 is attached.

VERIFICATION

I declare under the penalties of perjury that the statements above have been examined by me and that the contents are true to the best of my information, knowledge, and belief.

AFFIDAVIT IN SUPPORT OF MOTION FOR ALTERNATE SERVICE

ADRIENNE MARJORIE ROCKENHAUS,
Petitioner,

v.

CONRAD ALAN ROCKENHAUS,
Respondent.

Case No. **26-102221-PP**

Hon. **PPO Docket**
(Assignment Pending)

STATE OF MICHIGAN)
) ss.

COUNTY OF WASHTENAW)

I, Conrad Alan Rockenhaus, being duly sworn and under penalty of perjury, hereby state the following on my personal, firsthand knowledge except where stated upon information and belief, and as to those matters I believe them to be true:

I. PROCEDURAL POSTURE

1. I am the Respondent in this matter, appearing pro se. I make this Affidavit in support of my Motion and Verification for Alternate Service filed contemporaneously herewith on Form MC 303.
 2. On March 27, 2026, this Court entered an Order Regarding Alternate Service (Form MC 304, MCR 2.103, MCR 2.105) authorizing service of my then-pending Motion to Terminate the Personal Protection Order, together with the Notice of Hearing, upon Petitioner by (a) first-class mail to 26695 Ross Drive, Redford, Michigan 48239 and (b) tacking or firmly affixing to the door at the same address, in each case by a third party only. The Order was signed by Hon. Nicole N. Goodson (P53653). A true and correct copy is attached as Exhibit A.
 3. The 3/27/2026 Order was, by its terms, tied to a single motion event ("Motion and Notice of Hearing"). The Order does not contain continuing-effect language.
 4. The Motion to Terminate was heard on April 29, 2026. At that hearing, Petitioner's counsel of record, Aldrich Legal Services, PLLC (Lisa R. Baker, P82555 and Kenneth R. Burger, P73006), moved on the record to withdraw as counsel. The Court granted the motion orally on the record. Petitioner has been pro se in this matter since April 29, 2026.
 5. On May 6, 2026, I filed (a) a Motion to Compel Compliance with MCR 3.707(A)(2) and (b) a Second Supplemental Motion in Support of Motion to Terminate. Hearing on those motions has not yet been set; entry of a new Notice of Hearing is anticipated.
 6. With Aldrich withdrawn and Petitioner pro se, service of any further filings in this matter, including any Notice of Hearing issued by the Court, must be made directly upon Petitioner.
-

II. PETITIONER'S RESIDENCE AT 26695 ROSS DRIVE IS ADMITTED

7. **Petitioner's own sworn filing.** On or about March 9, 2026, Petitioner filed a Motion to Show Cause in this matter. In the Petitioner block of that filing, Petitioner identified her own address as follows:

Petitioner's name: Adrienne Rockenhaus

*Address and telephone no. where court can reach petitioner: **26695 Ross Drive, Redford, MI 48239**
(734) 585-6277*

A true and correct copy of Petitioner's Motion to Show Cause is attached as Exhibit B. Petitioner thereby identified Ross Drive to this Court, in her own filing, as her address for purposes of court contact.

8. **Petitioner's counsel's repeated certifications.** During the period of Aldrich's representation, Aldrich Legal Services, PLLC, by its counsel of record Lisa R. Baker (P82555) and litigation paralegal Kristen K. Sinkiewicz, repeatedly certified to the court that Petitioner's address for service is 26695 Ross Drive, Redford, Michigan 48239, **and that her email address for service is adrienne@cannabytes.net.** Specifically:

a. **Amended Proof of Service of Motion to Withdraw** (filed April 23, 2026, in 26-104594-DO, the related divorce case between the same parties): "On this date, the undersigned certifies that she served a copy of a Motion to Withdraw as Counsel and this Proof of Service upon the following: Adrienne Rockenhaus, **26695 Ross Dr., Redford, MI 48239, adrienne@cannabytes.net ... Via first class and electronic mail.**" Signed by Kristen K. Sinkiewicz on behalf of Aldrich. A true and correct copy is attached as Exhibit C.

b. **Praecipe** (filed and accepted April 24, 2026, in 26-104594-DO): the Plaintiff caption block lists "ADRIENNE M ROCKENHAUS, **26695 Ross Dr., MI 48239.**" Signed by Lisa R. Baker, P82555. A true and correct copy is attached as Exhibit D.

c. **Proof of Service of Notice of Hearing on Motion to Withdraw** (filed April 24, 2026, in 26-104594-DO): "Adrienne Rockenhaus, **26695 Ross Dr., Redford, MI 48239 ... Via first class and electronic mail.**" Signed by Kristen K. Sinkiewicz on behalf of Aldrich. A true and correct copy is attached as Exhibit E.

9. The certifications in paragraph 8 above were made by Petitioner's counsel of record, signing as officers of the court under MRPC 3.3, in connection with mandatory proof-of-service filings. They constitute the sworn position of Petitioner's counsel, and by attribution Petitioner herself, that 26695 Ross Drive is the address at which Petitioner reliably receives mail and that adrienne@cannabytes.net is the email address at which Petitioner reliably receives electronic correspondence in connection with these proceedings.

10. **The Ross Drive lease.** A residential lease for 26695 Ross Drive, with EJK Group LLC as lessor, names both Petitioner and me as tenants, with joint and several liability, for the term September 1, 2025 through August 31, 2026. The lease is signed by both of us. A true and correct copy is attached as Exhibit F.

11. **The 3/27/2026 Order's findings.** This Court has previously made the precise factual finding that 26695 Ross Drive is Petitioner's proper service address (Exhibit A). The factual predicate has not weakened since March; if anything, it has been independently confirmed by Petitioner's own filing (Exhibit B), her counsel's mailing practice (Exhibits C through E), and the joint lease (Exhibit F).

II-A. PETITIONER'S EMAIL OF RECORD IS ADRIENNE@CANNABYTES.NET (NEW)

12. **The cannabytes.net domain.** Petitioner controls the cannabytes.net domain. The email address adrienne@cannabytes.net resolves to a mailbox under Petitioner's control and

use. This domain is distinct from the rockenhaus.com domain that is the subject of separate proceedings between the parties.

13. **Aldrich's repeated certifications, summarized.** As stated in paragraph 8 above, Petitioner's former counsel of record, Aldrich Legal Services, PLLC, certified in three separate Proofs of Service filed in the related Wayne County divorce action between the same parties (26-104594-DO) that Petitioner is served at adrienne@cannabytes.net "Via first class and electronic mail." These are sworn officer-of-the-court certifications and they identify cannabytes.net as Petitioner's email address of record.
14. **Successful third-party electronic service on May 6, 2026.** On May 6, 2026, Brian Howell, a third party acting under the 3/27/2026 Order Regarding Alternate Service, transmitted three filings of mine in this matter (Respondent's Motion to Compel Compliance with MCR 3.707(A)(2), Respondent's Second Supplemental Motion in Support of Motion to Terminate, and Respondent's Notice of Updated Contact Information) to adrienne@cannabytes.net at 12:42 PM EDT, and again at 1:59 PM EDT from a different sending address. Both transmissions were delivered without bounce, undeliverable notice, address-not-found return, or any other indication of mailbox failure. A true and correct copy of the May 6, 2026 third-party service emails is attached as Exhibit J. The successful delivery of these transmissions independently confirms that adrienne@cannabytes.net is operationally live as Petitioner's email of record.
15. **Email service is reasonably calculated to give actual notice.** In light of (a) Aldrich's three sworn certifications that adrienne@cannabytes.net is Petitioner's email for service, (b) Petitioner's continuous use of that mailbox for service through the period of Aldrich's representation, and (c) the documented successful delivery of court filings to that mailbox on May 6, 2026, electronic mail to adrienne@cannabytes.net is a method of service reasonably calculated, under all the circumstances, to apprise Petitioner of the pendency of the proceedings and to afford her an opportunity to be heard. *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950).
16. **Email service supplements but does not replace physical-address service.** I do not request that this Court authorize email service in lieu of mail or door service. I request that this Court authorize email service in addition to mail and door service, so that Petitioner's actual notice of any future filing is achieved through redundant channels and so that the documentary record of service is strengthened against any future contention that Petitioner did not receive a particular filing.

III. PETITIONER HAS OBSTRUCTED PERSONAL SERVICE

17. **Prior failed attempt.** On or about March 26, 2026, process server Shante Wooten attempted personal service of my Motion to Terminate at 26695 Ross Drive. Petitioner's vehicle was in the driveway at the time of the attempt. The individual who answered the door represented to Wooten that "Adrienne Rockenhaus" was unknown at that location. Wooten executed a Proof of Non-Service. A true and correct copy is attached as Exhibit G. The Wooten non-service was the predicate for this Court's entry of the 3/27/2026 Order Regarding Alternate Service (Exhibit A).
18. **Affixed signage instructing process servers not to attempt service.** On or about March 29, 2026, signage was affixed to the entry door of 26695 Ross Drive characterizing court-authorized service activity in pejorative terms. On or about April 9, 2026 (the day Petitioner filed her Wayne County divorce complaint), eight to ten printed "DO NOT SERVE DOCUMENTS HERE" signs were affixed to the same entry door, covering substantially the entire door. True and correct photographs are attached as Exhibit H.

19. **Petitioner's public characterization of court-authorized service.** Notwithstanding this Court's express authorization of the methods of service used (Exhibit A), Petitioner has publicly characterized court-authorized service activity as "harassment," through both court filings and online statements made by her or persons acting on her behalf.
-

IV. CONTINUING AND ESCALATING EVASION POST-3/27/2026 ORDER

20. **Aldrich's withdrawal removes the firm-mediated communication channel.** During Aldrich's representation, the firm functioned as a de facto channel through which Petitioner could be reached for procedural purposes. With Aldrich withdrawn from this matter as of April 29, 2026, that channel no longer exists.
21. **Petitioner has filed no Notice of Updated Contact Information.** As of the date of this Affidavit, Petitioner has not filed any document with this Court updating her address for service, notwithstanding the withdrawal of her counsel more than one week ago. The address Petitioner identified in her own Motion to Show Cause (Exhibit B) and the email address her counsel certified in three separate Proofs of Service in the related divorce action (Exhibits C and E, plus the 4/24/2026 Praecipe at Exhibit D) therefore remain her addresses of record.
22. **Public representation of being "missing."** On or about May 4, 2026, a Facebook account associated with my name (the access credentials of which have been the subject of prior filings in this matter and are not, as of the relevant dates, in my exclusive control) published a post which was thereafter shared on or about May 6, 2026 into a public Facebook group titled "Michigan Missing Persons Alerts" (approximately 1,700 members), by an account using the name "Demi-Jo Matthews."
23. In the comments to that re-share, the "Demi-Jo Matthews" account responded to a good-faith inquiry from a third party (an actual coworker of mine, KC Baltz of Copart) by stating that I "has been missing for a month, his wife is missing too." The "Demi-Jo Matthews" account further commented that "someone keeps impersonating him online. They delete whenever called out." Comments on the original post are now disabled. A true and correct screenshot of the comments, together with archive URL, is attached as Exhibit I.
24. The "Demi-Jo Matthews" representation that Petitioner is "missing" is inconsistent with Petitioner's known residence at Ross Drive (Exhibits A through F), with her counsel's mailing practice during representation (Exhibits C through E), with Petitioner's own sworn filing (Exhibit B) identifying Ross Drive as her address, and with the documented successful electronic delivery to her email of record on May 6, 2026 (Exhibit J). The representation is fully consistent, however, with a course of conduct designed to obstruct service of my filings by sowing public uncertainty about Petitioner's whereabouts.
25. Whether or not the "Demi-Jo Matthews" account is operated by Petitioner or by a person acting on her behalf, a question I do not require the Court to resolve on this Motion, the public representation that Petitioner is "missing" has the operational effect of obstructing service. A reasonable third party who believed Petitioner to be missing would not assist with first-class mail or door-tack service at the Ross Drive address. The representation therefore constitutes additional, contemporaneous evidence that physical-address service has been deliberately rendered unworkable, and reinforces the need for an authorized electronic service path that does not depend on third-party physical-attempt cooperation.
-

V. REQUEST

26. For the reasons set forth above, I respectfully request that this Court enter an Order on

Form MC 304 pursuant to MCR 2.105(I) authorizing me to serve upon Petitioner any motion, pleading, Notice of Hearing, or other paper I file in this matter, together with a copy of the entered Order, by:

 - b. Tacking or firmly affixing to the door at 26695 Ross Drive, Redford, Michigan 48239, by a third party only; **and**
 - c. Electronic mail (email) to adrienne@cannabytes.net, by a third party only;
- with such authorization to remain in full force and effect for all of my filings in this matter until further order of this Court.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief, and that the matters stated upon information and belief are believed to be true.
