

**STATE OF MICHIGAN
THIRD JUDICIAL CIRCUIT COURT, WAYNE COUNTY**

ADRIENNE MARJORIE ROCKENHAUS, Petitioner,

v.

CONRAD ALAN ROCKENHAUS, Respondent.

Case No. 26-102221-PP

Hon. PPO Docket Judge

Hearing: April 29, 2026 at 11:30 AM (Zoom)

EXHIBIT 11

U.S. Department of Veterans Affairs Payment History, October 2025 through March 2026

Description:

Department of Veterans Affairs Payment History Inquiry Screen (TINQ) reflecting Respondent's VA disability compensation payments. File Number: 571951923. Payee: Conrad A Rockenhaus. Payments documented include six monthly disbursements totaling \$26,837.87. Routing numbers identified: 031-101-334 and 314-074-269. The pay-date column reflects the date of actual disbursement by the VA, not the month for which the benefit is owed. Pursuant to 38 C.F.R. § 3.31 and longstanding VA operational practice, monthly disability compensation is paid on the first business day of the following month. Where the first calendar day of a month falls on a weekend or federal holiday, payment is advanced to the immediately preceding business day. Accordingly, the line item on this exhibit showing a pay date of February 27, 2026 (a Friday) is the March 2026 monthly disability payment, paid early because March 1, 2026 fell on a Sunday. All payments shown were directed to financial accounts under the control of Petitioner Adrienne Rockenhaus pursuant to the Power of Attorney that was revoked on February 17, 2026 (Exhibit 3).

Relevance:

This payment history quantifies the financial motive for the PPO filing. During Respondent's federal incarceration from September 4, 2025 through March 2, 2026, Petitioner had access to approximately \$26,837.87 in Respondent's federal disability benefits, including the March 2026 payment disbursed early on February 27, 2026 due to the March 1 weekend. On February 17, 2026, Respondent revoked Petitioner's access to those benefits (Exhibit 3). Three days later, Petitioner filed the ex parte PPO. Exhibit 1 (February 9 email) explicitly identifies barring Respondent from "accessing financial assets" as a purpose of the "Restraining Order." The financial predicate of the PPO theory is the dispute over the March 2026 VA payment that Petitioner received on February 27, 2026 and refused to release to Respondent upon his March 2, 2026 release from federal custody, as documented in Exhibit 18 (Respondent's March 4, 2026 email seeking third-party intervention to recover those funds). This payment history is additionally the subject of pending inquiry by the Social Security Administration and the VA Office of Inspector General.
