

**STATE OF MICHIGAN
IN THE 3RD JUDICIAL CIRCUIT COURT
COUNTY OF WAYNE**

Adrienne Marjorie Rockenhaus,
Petitioner,

Case No. 26-102221-PP
Hon. Yvonna C. Abraham

v.

Conrad Alan Rockenhaus,
Respondent.

**AFFIDAVIT OF RESPONDENT CONRAD ALAN ROCKENHAUS IN SUPPORT OF
MOTION TO TERMINATE PERSONAL PROTECTION ORDER**

STATE OF MICHIGAN)

) ss.

COUNTY OF WASHTENAW)

I, **Conrad Alan Rockenhaus**, being duly sworn and under penalty of perjury, hereby state the following:

1. IDENTITY AND CAPACITY: My name is Conrad Alan Rockenhaus. I am the Respondent in the above-captioned matter. I am over the age of 18, am competent to testify, and have personal knowledge of the facts stated in this affidavit except where stated on information and belief.

2. MILITARY AND DISABILITY STATUS: I am a United States Navy combat veteran. I served in Afghanistan. I am 100% service-connected disabled and receive compensation from the Department of Veterans Affairs and Social Security Disability Insurance as my sole sources of income.

3. CURRENT RESIDENCE: I currently reside at 1690 Brookfield Drive, Ann Arbor, Michigan 48103, pursuant to a lease entered through a VA-coordinated housing program. This has been my residence since March 27, 2026.

4. FEDERAL CUSTODY, INITIAL INTAKE: I was arrested on September 4, 2025, and taken into federal custody on that date. I was initially held at the Livingston County Jail pursuant to a contract between that facility and the United States Marshals Service. Although the Livingston County Jail is a

county facility, my custody there was federal from the moment of intake.

5. TRANSFER TO FCI MILAN: I was subsequently transferred from the Livingston County Jail to the Federal Correctional Institution at Milan, Michigan (FCI Milan), and designated as federal inmate #39400-480.

6. CONTINUOUS FEDERAL CUSTODY: I remained in continuous federal custody, first at the Livingston County Jail under USMS contract, then at FCI Milan, from September 4, 2025 through March 2, 2026.

7. RELEASE FROM FCI MILAN: I was released from FCI Milan on March 2, 2026, pursuant to the Federal Bureau of Prisons' BP-A0714 Notice of Release and Arrival (a true copy of which is included as Exhibit 13 to the PPO Hearing Bundle). I was released to the Robert J. Delonis Center, 312 West Huron Street, Ann Arbor, Michigan, which was my designated release address.

8. TRANSITION FROM DELONIS CENTER TO CURRENT RESIDENCE: I remained at the Delonis Center from March 2, 2026 through March 27, 2026, when I signed my lease at 1690 Brookfield Drive, Ann Arbor, Michigan, and moved into that residence.

9. PHYSICAL INCAPACITY DURING CUSTODY: During the period from September 4, 2025 through March 2, 2026, I was physically incapable of traveling to or accessing Petitioner's residence, communicating with Petitioner outside of monitored channels (U.S. Mail and the BOP's TRULINCS electronic messaging system, both only available from FCI Milan), or taking any action with respect to joint financial accounts, mail, or marital property.

10. GENERAL DENIAL OF PETITION ALLEGATIONS: I have read the Ex Parte Petition for Personal Protection Order filed by Petitioner on or about February 19, 2026. I categorically deny the factual allegations of violence, threats, stalking, harassment, or coercion set forth in the Petition. Specific denials follow.

11. DENIAL OF ALLEGED SEXUAL ASSAULT: I did not rape Petitioner. I did not commit any act of criminal sexual conduct against Petitioner on any date. The allegation is false.

12. DENIAL OF ALLEGED PHYSICAL ASSAULT PATTERN: I did not subject Petitioner to a pattern of physical aggression, coercion, or domestic violence. I did not use my physical size to

overpower, intimidate, or trap Petitioner. The allegation is false.

13. DENIAL OF ALLEGED CORRLINKS ABUSE: I did not send Petitioner barrages of abusive or demanding messages via the BOP's TRULINCS/CorrLinks system during my incarceration. The actual correspondence pattern during my incarceration is the opposite of what the Petition alleges. The overwhelming majority of TRULINCS correspondence consisted of affectionate messages from Petitioner to me, along with letters and at least one Priority Mail Express package sent by her to me at FCI Milan. The TRULINCS records, which I have subpoenaed from the Bureau of Prisons, will confirm this pattern.

14. DENIAL OF PROXY STALKING: I did not direct any person, including anyone named "Jerome Sallad," to call or text Petitioner on October 13, 2025 or on any other date. I did not have a telephone during my federal custody. I had no means to direct third parties to contact Petitioner.

15. DENIAL OF 5/4/2023 PHONE-GRAB FACIAL-SCRATCH ALLEGATION: I did not scratch Petitioner's face on May 4, 2023. I did not delete any photograph from Petitioner's phone. The Petition's embellishment of the May 4, 2023 Plymouth incident is contradicted by Petitioner's own medical exhibit (the VA Emergency Department record), which documents neither a facial scratch nor a deleted photograph.

16. DENIAL OF 2024 ALLEGATIONS AND GENERAL DENIAL: I was not charged with any offense arising from the incidents Petitioner describes in the Petition. No police report referenced in the Petition resulted in my arrest, charging, or conviction. To the extent the Petition contains additional factual allegations of violence, threats, stalking, or harassment by me against Petitioner that are not specifically addressed above, I deny them. I have never physically assaulted, stalked, or harassed Petitioner.

17. COMMUNICATION CHANNELS DURING CUSTODY: During my federal custody at FCI Milan from September 4, 2025 through March 2, 2026, I communicated with Petitioner through only two channels: the BOP's TRULINCS electronic messaging system and U.S. Mail. These are the only communication channels available to federal inmates for contact with persons outside the institution.

18. LETTERS AND PACKAGES FROM PETITIONER: Petitioner sent me multiple letters at FCI Milan during my incarceration. Petitioner also sent me at least one Priority Mail Express package during my incarceration.

19. PHOTOGRAPH SENT TO PETITIONER DURING INCARCERATION: I sent Petitioner a photograph of myself during my incarceration, accompanied by a handwritten note expressing affection. The PPO did not exist at the time of this mailing. The PPO was not filed until February 20, 2026.

20. PETITIONER'S FORWARDING OF MAIL AFTER PPO ISSUANCE: On or about April 4, 2026, after my release and after the PPO had been entered, I received at the Delonis Center an envelope that Petitioner had affirmatively forwarded to me. The envelope contained the photograph and note I had sent her during my incarceration. Petitioner's act of locating my post-release address and forwarding mail to me while simultaneously maintaining an active PPO against me is inconsistent with any genuine fear of contact with me.

21. TENOR OF PETITIONER'S TRULINCS CORRESPONDENCE: The TRULINCS correspondence between Petitioner and me during my incarceration included messages from Petitioner to me such as the October 28, 2025 message (contained within the TRULINCS records) in which Petitioner closed by saying "I love you but I require a calm, supportive and safe environment." The tenor of Petitioner's messages to me during this period is inconsistent with a person in fear of the addressee.

22. LACK OF KNOWLEDGE OF PPO UNTIL MARCH 2, 2026: I did not know that Petitioner had filed a Personal Protection Order Petition against me until March 2, 2026. I was not served with the Petition or with the Ex Parte PPO while in federal custody. I first learned of the PPO on March 2, 2026, when, shortly after my release from FCI Milan that morning, I traveled to the residence at 26695 Ross Drive, Redford, Michigan, to retrieve personal property, and a neighbor present at the scene and the responding Redford Police Department officers informed me that a PPO existed.

23. NO PROPER SERVICE OF PPO: Even on March 2, 2026, I was not properly served with the PPO. The Redford Police Department Case Report from that date (PPO Hearing Bundle Exhibit 8) documents that no physical copy of the PPO was served on me. The officer read the conditions of the

PPO to me from Petitioner's own mobile phone. The only time I received the full text of the PPO was when Petitioner's nephew, Robby Hein, emailed the PPO to me and directed me to cease contact with him, a request I respected even though he is not a party to the PPO and has no legal authority to enforce it. To date, I have never been personally served with the PPO or the Petition by any law enforcement agency, process server, or other means authorized by Michigan law.

24. LACK OF KNOWLEDGE OF VA DISABILITY COMPENSATION DIVERSION UNTIL ON OR ABOUT FEBRUARY 9, 2026: I did not know that Petitioner had diverted my VA disability compensation to her personal USAA account until on or about February 9, 2026. Petitioner's email of February 9, 2026 to my federal appellate counsel, Assistant Federal Public Defender Kaycee Berente (PPO Hearing Bundle Exhibit 1), was the first communication in which Petitioner made clear her intention to leave me with "no money, no bank account, no home to return to" upon release. The February 9, 2026 email, combined with my prior awareness that the joint SoFi account had been closed, caused me to understand in February 2026 that Petitioner was retaining my VA benefits rather than holding them for my use. Prior to February 9, 2026, I had no knowledge that Petitioner had affirmatively redirected my VA benefits to her own personal account. Petitioner had previously represented to me via TRULINCS on October 28, 2025 that "VA pay has not been deposited," a representation that was false and was made while Petitioner was in fact receiving those deposits to her personal USAA account.

25. LACK OF KNOWLEDGE OF SSDI DIVERSION UNTIL MARCH 10, 2026: I did not know that Petitioner had diverted my Social Security Disability Insurance payments to her personal account until March 10, 2026. Prior to that date, Petitioner had represented to me, and to my federal counsel, that my SSDI payments had been "suspended." This representation was false. Petitioner was in fact receiving my SSDI payments as my court-appointed Representative Payee and retaining them for her personal use rather than disbursing them for my benefit. I first learned that the SSDI payments were not suspended, but had been diverted, when I was able to access SSDI records after my release and determined the true status of the payments on March 10, 2026.

26. LACK OF CONSENT FOR SEPTEMBER 17, 2025 SOFI JOINT ACCOUNT CLOSURE: I did not consent to the closure of the joint SoFi checking account on September 17, 2025. I was in

federal custody on that date and had no ability to authorize, participate in, or object to the closure. Petitioner closed the account unilaterally while I was incapable of protecting my interest in the account. I learned of the SoFi closure through Petitioner's February 9, 2026 email to my federal counsel, in which she disclosed that the account had been "extra judiciously closed on September 17, 2025."

27. LACK OF KNOWLEDGE OF DECEMBER 15, 2025 "NEXT FRIEND" FILING UNTIL JANUARY 2026: I did not authorize Petitioner to file anything in any federal court on my behalf. I learned that Petitioner had filed as my "Next Friend" in federal habeas proceedings (Case No. 25-13073, Eastern District of Michigan, Bivens 388083) in or about January 2026. I subsequently and promptly revoked my Power of Attorney to Petitioner by formal instrument served on her by certified mail on February 17, 2026.

28. MARCH 2, 2026 REDFORD ENCOUNTER, ARRIVAL: On March 2, 2026, shortly after my release from FCI Milan, I traveled to 26695 Ross Drive, Redford, Michigan, to retrieve personal property. I held a lease for that residence at the time (PPO Hearing Bundle Exhibit 5), and I had no actual knowledge of any PPO prohibiting my presence there.

29. PETITIONER PROVIDED HER PHONE TO POLICE TO COMMUNICATE PPO CONDITIONS: After I arrived at the residence, Redford Police Department officers arrived at the scene. Petitioner provided her mobile phone to the responding officer, with the PPO displayed on the phone screen. The officer read the conditions of the PPO to me from Petitioner's phone. Ann Helgren, who was present at the scene and is friends with both Petitioner and me, then took photographs of Petitioner's phone, with the PPO displayed on its screen, using Ann's own phone, so that I would have a copy of the PPO for purposes of appealing it. This was the first time I had any knowledge of the PPO's existence or its contents. No physical copy of the PPO was served on me.

30. COMPLIANCE WITH OFFICER INSTRUCTIONS AND NO ARREST: I complied fully with all officer instructions. I was not arrested. I was not charged with any offense. The Redford Police Department Case Report (PPO Hearing Bundle Exhibit 8) documents that I was "very confused" upon learning of the PPO, that neighbor "Anne" (properly Ann Helgren, who was present because her sister Pam resides next door to Petitioner) was "friends with both Conrad and [Adrienne]," that I was given phone photographs of the PPO "so he can appeal the PPO," and that no physical copy of the PPO was

served on me at the scene.

31. DEPARTURE FROM RESIDENCE AND NO RETURN: I left the Redford residence in compliance with the verbal instructions I received from officers, and I have not returned to that address since.

32. NO CONTACT WITH PETITIONER SINCE RELEASE: Since my release on March 2, 2026, I have not attempted to contact Petitioner directly. I have not traveled to her residence. I have not appeared at any location where Petitioner has been present. I have had no direct contact with Petitioner of any kind.

33. POST-RELEASE ACTIVITIES: My activities since release have been directed entirely at (a) stabilizing my housing and medical care through VA-coordinated programs, (b) participating as a pro se litigant in the proceedings initiated by Petitioner in Wayne County, (c) filing my own divorce action in Washtenaw County to seek a dignified dissolution of the marriage, and (d) preparing a 28 U.S.C. § 2255 motion in *United States v. Rockenhaus* addressing Category C supervised release violations (use of cannabis and failure to follow instructions of probation).

34. ACTIVE FEDERAL CIVIL MATTERS: I am engaged in federal civil matters (Bivens 388083; Rockenhaus v. Agapiou; Rockenhaus v. Pringle) which require substantial time and focus. I have no interest in and no intention of approaching, contacting, or surveilling Petitioner. My entire orientation toward Petitioner at this point is through lawful civil-litigation channels only.

35. NO DOMESTIC VIOLENCE HISTORY: I have no history of criminal conviction for domestic violence, stalking, or assault against Petitioner or any other person. No law enforcement agency has ever investigated me for such conduct as against Petitioner.

36. REQUEST FOR RELIEF: I respectfully request that this Honorable Court grant my Motion to Terminate the Personal Protection Order entered in this matter, enter findings of fact addressing the evidentiary deficiencies in the Petition as set forth in my Motion to Terminate and supporting memorandum, and grant such further relief as the Court deems just and appropriate.

37. BASIS OF KNOWLEDGE: Everything stated in this affidavit is based on my personal, firsthand knowledge, except where stated on information and belief. I am not making any statement in this

affidavit based on hearsay or speculation.

38. NO COMPENSATION: I am making this statement voluntarily and have received no compensation, promise of benefit, or inducement in exchange for this affidavit.

39. TRUTH OF STATEMENT: I declare under penalty of perjury under the laws of the State of Michigan that the foregoing is true and correct to the best of my knowledge and belief.
