

STATE OF MICHIGAN

IN THE THIRD JUDICIAL CIRCUIT FOR THE COUNTY OF WAYNE

FAMILY DIVISION, DOMESTIC RELATIONS

Adrienne Marjorie Rockenhaus, Plaintiff/Counter-
Defendant, v. Conrad Alan Rockenhaus,
Defendant/Counter-Plaintiff.

Case No. 26-104594-DO Hon.
Nicole N. Goodson

COMPREHENSIVE WITNESS AFFIDAVIT OF ANN HELGREN

STATE OF MICHIGAN)

) ss.

COUNTY OF WAYNE)

I, **Ann Helgren** (printed name), being duly sworn and under penalty of perjury, hereby state the following:

1. IDENTITY AND RELATIONSHIP TO PRIOR AND CONTEMPORANEOUS AFFIDAVITS. My name is Ann Helgren. I am ____ years of age. I reside at 15869 Lenmore, Redford Township, Michigan. I also go by the name "Annie." I have previously executed one witness affidavit and am contemporaneously executing three additional witness affidavits in matters between Adrienne Marjorie Rockenhaus and Conrad Alan Rockenhaus. The previously executed affidavit is a Witness Affidavit dated April 24, 2026 in the related personal protection order matter (Case No. 26-102221-PP), addressing events of March 2 and 3, 2026 (the "First Affidavit"). The three contemporaneously executed affidavits are: (i) a Supplemental Witness Affidavit of Ann Helgren Regarding Events of May 4 through May 6, 2026, captioned in the related personal protection order matter (Case No. 26-102221-PP) (the "May Supplemental"); (ii) a Documentary-Records Affidavit of Ann Helgren Regarding the February 17, 2026 Google Family Group Notifications (the "Documentary Records Affidavit"); and (iii) this Comprehensive Witness Affidavit. All three contemporaneous affidavits are being executed by me on the same date. The First Affidavit, the May Supplemental, and the Documentary Records Affidavit are each incorporated by reference. This Comprehensive Witness Affidavit addresses additional matters of personal knowledge that were not within the scope of any of those three affidavits, and does not modify or replace any of them.

2. PURPOSE AND BASIS OF KNOWLEDGE. I provide this Comprehensive Witness Affidavit based on my personal, firsthand knowledge of the following categories of events, conversations, and records: (a) the absence of any agency or harassing conduct by me toward Adrienne Marjorie Rockenhaus; (b) a conversation with Adrienne at her residence on or about February 25 or 26, 2026 concerning the personal protection order she had then recently obtained; (c) Adrienne's statements to me concerning her sources of income, including frequent distributions from a trust; (d) Adrienne's statements to me concerning her refusal to read correspondence from Counter-Plaintiff during his federal incarceration, and my personal observation of Adrienne's February 14, 2026 Valentine's Day social media post concerning Counter-Plaintiff; (e) my observations at two federal court proceedings in October 2025 concerning Counter-Plaintiff, where Adrienne attended in the company of a man I had not previously met; (f) events in February or early March 2026 involving Adrienne's apparent

unauthorized access to Counter-Plaintiff's Google account and to my own Google account, and the origin of a handwritten note I wrote at that time; (g) text messages I received from Adrienne on March 2, 2026; (h) Apple platform notifications I received on my personal Apple device beginning on March 2, 2026 regarding an unknown AirTag detected as moving with me; (i) my custody of a wallet belonging to Counter-Plaintiff from approximately March 12, 2026 through March 29, 2026; (j) an in-person statement by Adrienne to me on or about March 4 or March 5, 2026; (k) an electronic communication I received on March 7, 2026 that appeared on its face to have been sent from an account in Counter-Plaintiff's name but that I recognized to have been authored by Adrienne; (l) handwritten signs Adrienne posted at her residence on or about March 29, 2026 addressed to me by name; (m) Facebook posts on or about March 30 or 31, 2026 from accounts using the names "Sherri Adair" and "Jenn Reede" and my identification of the operator of the "Sherri Adair" account; (n) printed signs Adrienne posted at her residence on or about April 9, 2026; (o) a Facebook post published on May 4, 2026 from an account compromised by Adrienne that named me by name; (p) a comment posted to my own Facebook photograph on May 6, 2026 by an account using the name "Demi-Jo Matthews"; (q) the existence and configuration of that same "Demi-Jo Matthews" Facebook account; (r) my participation in a walk-in report to the Redford Township Police Department on May 5, 2026; (s) two electronic mail messages I received on May 9, 2026 from the email address ecigaretteslut@gmail.com under the display name "Angeline M"; (t) my observations on Saturday May 9, 2026 of activity vacating 26695 Ross Drive, Redford Township, Michigan; and (u) a Threads platform contact attempt I received on May 14, 2026 from an account presenting Counter-Plaintiff's name and image.

3. AFFIRMATIVE NON-AGENCY DECLARATION. I have never harassed Adrienne Marjorie Rockenhaus. I have never contacted Adrienne at the direction of Counter-Plaintiff. I have never acted as Counter-Plaintiff's agent, intermediary, or proxy in any communication with Adrienne. At no time have I been instructed by Counter-Plaintiff to communicate with Adrienne on his behalf, and at no time have I done so. Any communication I have ever had with Adrienne has been initiated either by me directly, in my capacity as her longstanding personal friend, or by Adrienne herself. The premise that I have acted as a harasser of Adrienne on Counter-Plaintiff's behalf is, based on my personal knowledge of my own conduct, false.

4. THE FEBRUARY 25 OR 26, 2026 CONVERSATION AT ADRIENNE'S RESIDENCE. On or about February 25 or 26, 2026, I visited Adrienne at her residence located at 26695 Ross Drive, Redford Township, Michigan. During that visit, I directly asked Adrienne why she had obtained or was obtaining a personal protection order against Counter-Plaintiff. Adrienne told me, in substance, that she was afraid Counter-Plaintiff would "be mean" to her when he was released from federal custody. Adrienne did not state that she was afraid Counter-Plaintiff would harm her physically, stalk her, harass her, commit any act of domestic violence against her, or engage in any of the categories of conduct addressed by Michigan's protection-order statutes. Her stated reason, in her own words, was a concern that Counter-Plaintiff would "be mean" upon his release. This conversation occurred prior to Counter-Plaintiff's release from federal custody on March 2, 2026.

5. ADRIENNE'S DISCLOSURE OF TRUST DISTRIBUTIONS AND PRIMARY-BREADWINNER NARRATIVE. During the course of my longstanding personal friendship with Adrienne, including in conversations occurring prior to March 3, 2026, Adrienne described herself to me on multiple occasions as the primary breadwinner of her household. In the same conversations, Adrienne disclosed to me that she received frequent distributions of at least \$2,000 per month from a trust established by her late mother. Adrienne discussed these distributions with me as a recurring source of personal income available to her.

6. ADRIENNE'S CONDUCT CONCERNING COUNTER-PLAINTIFF DURING HIS FEDERAL INCARCERATION. On one or more occasions during the period of Counter-Plaintiff's federal incarceration from approximately September 2025 through March 2, 2026, Adrienne told me that she refused to read correspondence sent to her by Counter-Plaintiff. Adrienne stated to me, in substance, that she refused to read his correspondence because doing so was too emotionally painful for her. Separately, on or about February 14, 2026, while Counter-Plaintiff remained in federal custody, I personally observed a Valentine's Day social media post published by Adrienne on her own social media account concerning Counter-Plaintiff. I observed the post on or about the date it was published.

7. OBSERVATIONS AT COUNTER-PLAINTIFF'S OCTOBER 2025 FEDERAL COURT PROCEEDINGS. In October 2025, Counter-Plaintiff was the defendant in federal criminal proceedings in the United States District Court for the Eastern District of Michigan. I personally attended two of Counter-Plaintiff's federal court proceedings: an initial sentencing date that was adjourned, and the subsequent sentencing hearing at which Counter-Plaintiff was sentenced. At both proceedings, Adrienne was present. At both proceedings, Adrienne was accompanied by a man whom I had not previously met and whom, to my knowledge, Counter-Plaintiff had also not previously met. Adrienne told me at the time that this man's first name was Skyler, and that she had driven from Redford Township to Lapeer, Michigan in order to bring him to Counter-Plaintiff's federal court hearings. At the sentencing hearing, I personally observed this man play with Adrienne's hair while he was seated near her in the courtroom. I was personally made uncomfortable by his presence and demeanor. I observed Skyler only at the two United States District Court proceedings described in this paragraph. Adrienne did not speak of him to me on any other occasion.

8. ORIGIN OF THE HANDWRITTEN NOTE LATER FILED AS RESPONDENT'S "EXHIBIT I". In or about February or early March 2026, I received electronic communications on my own Google account that purported on their face to be from Counter-Plaintiff. The content, tone, and circumstances of those communications were not consistent with prior communications I had received from Counter-Plaintiff over the course of our friendship. Separately, in the same general timeframe, I received a notification on my own Google account indicating an unauthorized access attempt to my account. Based on my personal observation of these two events, and based on my then-existing knowledge that Adrienne had access to Counter-Plaintiff's Google account, I concluded at the time that the communications purporting to be from Counter-Plaintiff had in fact been authored by Adrienne using her then-existing access to Counter-Plaintiff's Google account, and that the access attempt against my own Google account had also been made by Adrienne. I prepared a handwritten note at that time documenting these events. I am informed and believe that a copy of this handwritten note was subsequently filed in the related personal protection order proceeding by counsel for Adrienne as an exhibit. My purpose in writing the note was to document Adrienne's unauthorized access conduct. The note was not written, and was not intended, to document any conduct by Counter-Plaintiff. Any characterization of the note as evidence of Counter-Plaintiff's conduct mischaracterizes both the content of the note and my purpose in writing it.

9. ADRIENNE'S MARCH 2, 2026 TEXT MESSAGES INSTRUCTING ME TO LIE TO THE VETERANS ADMINISTRATION. During the events of March 2, 2026 described in my First Affidavit, I received text messages from Adrienne on my personal cellular telephone. The text messages included Adrienne's instructions that I tell the Veterans Administration that Counter-Plaintiff was suicidal, and her instructions that I leave Counter-Plaintiff at the Veterans Administration and abandon him there. I preserved the text messages on my personal cellular telephone, where they remain in my custody in unmodified form. True and

accurate screenshots of those text messages are attached hereto as **Exhibit A**.

10. MARCH 2, 2026 APPLE PLATFORM NOTIFICATIONS REGARDING AN UNKNOWN AIRTAG. On or about March 2, 2026, while Counter-Plaintiff was in my personal presence at 26695 Ross Drive, my personal Apple device began displaying Apple platform notifications indicating that an unknown AirTag had been detected as moving with me. The notifications used language substantially identical to the standard Apple anti-stalking notification language. I received approximately three such notifications on or beginning March 2, 2026. I personally observed each notification on my own Apple device. I preserved screenshots of the notifications, which remain in my possession on my own device in unmodified form. True and accurate copies of the screenshots are attached hereto as **Exhibit B**.

11. CUSTODY OF COUNTER-PLAINTIFF'S WALLET FROM MARCH 12, 2026 THROUGH MARCH 29, 2026. Beginning on or about March 12, 2026, I came into possession of a wallet belonging to Counter-Plaintiff. The wallet remained in my custody continuously from approximately March 12, 2026 through approximately March 29, 2026. During this period the wallet was carried with me in my personal handbag during the daytime and remained at my residence at 15869 Lenmore, Redford Township, Michigan, overnight. On or about March 29, 2026, I returned the wallet directly to Counter-Plaintiff in person when I delivered items to him at his then-current residence at 1690 Brookfield Drive, Ann Arbor, Michigan.

12. ADRIENNE'S MARCH 4 OR MARCH 5, 2026 IN-PERSON STATEMENT TO ME. On or about March 4 or March 5, 2026, I personally went to Adrienne's residence at 26695 Ross Drive, Redford Township, Michigan, on Counter-Plaintiff's behalf, to attempt to retrieve personal property and funds belonging to Counter-Plaintiff. Adrienne refused to release any of Counter-Plaintiff's property or funds to me on each occasion. In refusing my request on one of those occasions, Adrienne told me, in substance, that to release Counter-Plaintiff's property or funds to me would be "funding my rapist." I personally heard Adrienne make this statement to me. The statement was made in person at Adrienne's residence.

13. ADRIENNE'S MARCH 7, 2026 ELECTRONIC COMMUNICATION TO ME, SENT THROUGH AN ACCOUNT IN COUNTER-PLAINTIFF'S NAME. On March 7, 2026, I received an electronic communication that appeared on its face to have been sent from an account in Counter-Plaintiff's name. Based on the content of the communication, which referred to Counter-Plaintiff in the third person and was written in language that was not consistent with prior communications I had received from Counter-Plaintiff over the course of our friendship, I recognized at the time that the communication had in fact been authored by Adrienne, using the same form of unauthorized access to Counter-Plaintiff's accounts that is further described in paragraph 8 above. The text of the communication, in full and verbatim, was:

"I want him to have money and care, you are trying to do the exact thing to prevent that. All my ducks are in a row and I have done all the mandatory paperwork, you are trying to harm him by believing his lies and that will be obvious to any court."

After receiving this communication, I forwarded the substance of it to Counter-Plaintiff directly in order to alert him to what I had observed. A true and accurate screenshot of my conversation with Counter-Plaintiff in which I conveyed the substance of this communication to him is attached hereto as **Exhibit C**.

14. ADRIENNE'S MARCH 29, 2026 HANDWRITTEN SIGNS ADDRESSED TO ME. On or about March 29, 2026, I personally observed two handwritten signs posted on the front door of 26695 Ross Drive, Redford Township, Michigan. Both signs were written in blue ink and were addressed to me by name, "Ann Helgren." The first sign read in substance: "Ann Helgren: Cease your Legal abuse against me immediately. Stop appearing anywhere within my sight immediately." The second sign read in substance: "Ann Helgren: On march 3 I told you in writing to stay away. You have put threatening documents on my property on behalf of my rapist twice since then." The "threatening documents" referenced on the signs described the lawful service of court documents in the matters between Adrienne and Counter-Plaintiff, which I performed openly, on Counter-Plaintiff's behalf, in my capacity as a person authorized to perform such service. A true and accurate photograph of these two signs as they appeared on the front door of 26695 Ross Drive on March 29, 2026 is attached hereto as **Exhibit D**.

15. MARCH 30 OR 31, 2026 FACEBOOK POSTS FROM "SHERRI ADAIR" AND "JENN REEDE" AND MY IDENTIFICATION OF THE OPERATOR OF THE "SHERRI ADAIR" ACCOUNT. On or about March 30 or March 31, 2026, I personally observed Facebook posts authored by two accounts using the names "Sherri Adair" and "Jenn Reede." The "Sherri Adair" account posted a comment containing false-accusation framing concerning Counter-Plaintiff. The "Jenn Reede" account posted a reply asserting, in substance, that Counter-Plaintiff was being hidden at my residence. I personally posted a public reply identifying the operator of the "Sherri Adair" account as Adrienne Marjorie Rockenhaus. My basis for this identification was the content, the specific statements, and the characteristic phrasing in the "Sherri Adair" account's posts, which I recognized from my longstanding personal friendship with Adrienne as her own writing and her own assertions. I preserved screenshots of the "Sherri Adair" post, the "Jenn Reede" reply, and my own public response. True and accurate copies of those screenshots are attached hereto as **Exhibit E**.

16. ADRIENNE'S APRIL 9, 2026 BLANKETED ANTI-SERVICE SIGNS. On or about April 9, 2026, I personally observed approximately eight to ten identical printed signs covering substantially the entire front door of 26695 Ross Drive, Redford Township, Michigan. Each sign read in substance: "STOP. Do NOT serve documents here. All documents must be served to my attorney:" followed by the name and contact information of Adrienne's counsel of record, Lisa R. Baker at Aldrich Legal Services, PLLC. A true and accurate photograph of these signs as they appeared on the front door of 26695 Ross Drive on April 9, 2026 is attached hereto as **Exhibit F**.

17. THE MAY 4, 2026 FACEBOOK POST NAMING ME. On or about May 4, 2026, I personally saw a Facebook post published under Counter-Plaintiff's account containing language characterized in the post as a "[SYSTEM ALERT] DEAD MAN'S SWITCH." The post named five persons whom the post identified as "responsible for my death." I was named in that list. I personally viewed the post on Facebook. Seeing my own name in a published post identifying persons "responsible for my death" was distressing to me. I had no involvement of any kind in the publication of that post. I have no knowledge or reason to believe that Counter-Plaintiff authored or authorized the post; I understand the post to have been published while his Facebook account was compromised.

18. THE MAY 5, 2026 REDFORD TOWNSHIP POLICE DEPARTMENT WALK-IN. On May 5, 2026, I was present at the Redford Township Police Department along with Counter-Plaintiff and my sister Pamela Jordan to make an in-person report concerning the matters described in paragraph 17 above and related concerns. Counter-Plaintiff was the primary reporting party. I corroborated the matters reported as a witness, based on my personal observation of the May 4, 2026 Facebook post described in paragraph 17 above. The walk-in

was received by Officer Young (badge #192) of the Redford Township Police Department. The matter was assigned a Redford Police Department case number, which I understand to be Case 26-7649.

19. THE MAY 6, 2026 COMMENT ON MY OWN PHOTOGRAPH BY THE "DEMI-JO MATTHEWS" ACCOUNT. I maintain a personal Facebook account in my own name, on which I from time to time publish photographs. On April 24, 2026, I published a photograph on my own Facebook account. On May 6, 2026, I personally observed a comment on that photograph posted by an account using the name "Demi-Jo Matthews." The text of the comment, as it appeared to me, was: **"Is that right before you killed him?"** I personally observed this comment on my own photograph through my own Facebook account. I had not previously interacted with any account using the name "Demi-Jo Matthews."

20. THE "DEMI-JO MATTHEWS" FACEBOOK ACCOUNT, BLOCKING. Following my observation of the comment described in paragraph 19 above, I attempted to view the "Demi-Jo Matthews" account directly through my own Facebook account in order to learn more about who had commented on my photograph. When I attempted to do so, Facebook displayed a notification that I am blocked from viewing the "Demi-Jo Matthews" account. I personally observed this blocking notification. I have no prior personal acquaintance with anyone of the name "Demi-Jo Matthews." I have not interacted with that account in any way that would explain why it has blocked me from view.

21. MAY 9, 2026 EMAILS FROM "ECIGARETTESLUT@GMAIL.COM" UNDER THE DISPLAY NAME "ANGELINE M". Early on the morning of Saturday, May 9, 2026, I personally received two electronic mail messages at my personal email account. Both messages were sent from the email address ecigaretteslut@gmail.com and displayed the sender name "Angeline M." The first message was received at approximately 5:31 AM EDT and concerned the alleged death of Counter-Plaintiff. The second message was received at approximately 6:06 AM EDT and asserted that I had "left him to burn and rot." The sender name "Angeline M" refers to the first and middle name of my daughter, Angeline Marie. Adrienne is personally aware of my daughter's first and middle names. I have never had any prior contact with the email address ecigaretteslut@gmail.com, and I have no prior personal acquaintance with anyone using the display name "Angeline M" other than my daughter. I preserved both emails in my email account, where they remain in unmodified form. True and accurate copies of both emails are attached hereto as **Exhibit G**.

22. THE MAY 9, 2026 EVENING VACATION OF 26695 ROSS DRIVE. On the evening of Saturday, May 9, 2026, I personally observed activity at 26695 Ross Drive, Redford Township, Michigan, from a position with line-of-sight to the residence. Beginning at approximately 9:30 PM EDT, I observed an unknown adult male loading household property from 26695 Ross Drive into the bed of a white pickup truck. I personally observed that the rear of the truck displayed Michigan license plate 7RBK87. I observed the loading continue for approximately one hour from the time I first observed it, until I left the area. I observed boxes and laundry baskets among the items being loaded. I also heard the sounds of breakable glass items being moved. Because the loading occurred after dark, I was not able to identify the specific contents of all items. I personally observed only the one adult male; I did not personally observe Adrienne Marjorie Rockenhaus at any time during the loading I observed. I personally took photographs and video documenting the activity I observed, and contemporaneously transmitted the photographs and video to Counter-Plaintiff. True and accurate copies of the photographs and video I took on the evening of May 9, 2026 are attached hereto as **Exhibit H**.

23. THE MAY 14, 2026 THREADS CONTACT FROM AN ACCOUNT PRESENTING
