

STATE OF MICHIGAN
IN THE THIRD JUDICIAL CIRCUIT FOR THE COUNTY OF WAYNE
FAMILY DIVISION, DOMESTIC RELATIONS

ADRIENNE MARJORIE ROCKENHAUS,
Plaintiff,

v.

CONRAD ALAN ROCKENHAUS,
Defendant.

Case No. **26-104594-DO**

Hon. **Nicole N. Goodson**

**DEFENDANT'S MOTION TO RESTRICT ACCESS TO PROTECTED
PERSONAL IDENTIFYING INFORMATION ON FILED EXHIBITS AND
TO FILE REDACTED REPLACEMENT EXHIBITS**

NOW COMES Defendant, **Conrad Alan Rockenhaus**, appearing pro se, and pursuant to MCR 1.109(D)(9), MCR 8.119(I), and the Court's inherent authority over its own records, respectfully moves this Honorable Court for an Order restricting public access to two exhibits previously filed in this matter that contain protected personal identifying information, and for leave to file redacted replacement exhibits in their place. In support thereof, Defendant states as follows:

I. INTRODUCTION

1. On post-filing review of pleadings filed in this matter on April 15, 2026 and April 16, 2026, Defendant identified two exhibits that contain protected personal identifying information visible on the face of the filed document. The protected information falls within the categories enumerated at MCR 1.109(D)(9)(a), specifically Social Security numbers, government-issued personal identification numbers, and financial account numbers.
 2. The information was inadvertently included by Defendant, who is appearing pro se and prepared the filings without the assistance of counsel. Defendant promptly identified the defect on subsequent review and now moves to cure it.
 3. The relief requested is administrative in nature: that the originally-filed exhibits be restricted from public access, that redacted replacement exhibits be substituted on the docket for purposes of public display, and that the underlying substantive content of the exhibits, which is non-protected, remain available to the parties and the Court for all evidentiary purposes.
-

II. AUTHORITY

4. **MCR 1.109(D)(9)** governs the inclusion of protected personal identifying information in court filings. Subsection (a) defines "protected personal identifying information" to include, among other categories: a date of birth; a Social Security number or government-issued personal identification number; a driver's license number or state personal identification card number; a passport number; and a financial account number.

Subsection (b) directs that protected personal identifying information shall not be included in a filing unless required by law, court rule, or court order, and that any such information that is included shall be filed in a separate non-public addendum or with the protected information redacted.

5. **MCR 8.119(I)** governs sealed and restricted records and authorizes the Court, on motion, to limit access to court records on a showing of good cause. Restriction of access to documents containing inadvertently-disclosed protected personal identifying information falls squarely within the rule's purpose.
6. **Federal exposure considerations.** Beyond the Michigan Court Rules, the disclosed information includes federal benefits-administration identifiers and account routing information for federally-protected veterans benefits. Continued public availability of those identifiers presents an ongoing risk of identity theft, benefits fraud, and unauthorized access to Defendant's federal benefits accounts.

III. PROTECTED INFORMATION REQUIRING REDACTION

A. Exhibit A to Defendant's Motion for Change of Venue (filed April 15, 2026)

7. Exhibit A to Defendant's Motion for Change of Venue is a copy of the residential lease for 26695 Ross Drive, Redford, Michigan, dated September 1, 2025, between EJK Group LLC as landlord and the parties as tenants. The lease is the documentary anchor for the venue argument set forth in the Motion.
8. The "Received from" header block on the face of the lease contains both parties' Social Security numbers. The Social Security numbers are visible on the scanned image and are protected personal identifying information under MCR 1.109(D)(9)(a)(ii).
9. The substantive content of Exhibit A, the lease term September 1, 2025 through August 31, 2026; the \$1,900 deposit; the parties as joint tenants; the landlord's identity; the property address; the pet addendum identifying Toro and Autumn, is not protected and need not be redacted. Only the Social Security number block requires redaction.

B. Exhibit A to Defendant's Brief on Federal Preemption of VA and SSDI Benefits (filed April 15, 2026)

10. Exhibit A to Defendant's Brief on Federal Preemption is a screenshot of the Department of Veterans Affairs Payment History Inquiry (TINQ) for Defendant's VA Disability Compensation account. The TINQ screenshot is the documentary anchor for the federal preemption argument and for the financial-architecture timeline at issue.
11. The TINQ screenshot displays, on the face of the exhibit, the following protected personal identifying information:
 - a. Defendant's VA File Number, in the field labeled "Fae Number" on the screenshot. VA File Numbers historically were Social Security numbers and remain government-issued personal identification numbers within the meaning of MCR 1.109(D)(9)(a)(ii).
 - b. The routing number for the destination financial account at USAA Federal Savings Bank receiving Defendant's diverted VA Disability Compensation payments. Routing numbers are financial account numbers within the meaning of MCR 1.109(D)(9)(a)(v).
 - c. The full account number for the same destination financial account. Account numbers are financial account numbers within the meaning of MCR 1.109(D)(9)(a)(v).
12. The substantive content of Exhibit A, the per-payment dates, the per-payment dollar amounts, the source institution, the rate step-down between August 2025 and December

2025, the October 1, 2025 returned payment marked "Undeliverable," the redirect to the destination account beginning October 9, 2025, is not protected and is essential to the federal preemption argument. Only the VA File Number, the routing number, and the account number require redaction.

IV. RELIEF REQUESTED

WHEREFORE, Defendant **Conrad Alan Rockenhaus** respectfully requests that this Honorable Court enter an Order:

13. **Restricting access** to the originally-filed Exhibit A to Defendant's Motion for Change of Venue and the originally-filed Exhibit A to Defendant's Brief on Federal Preemption of VA and SSDI Benefits, such that those originally-filed exhibits are not displayed on the public docket but remain accessible to the Court, the parties, and counsel of record for all purposes;
14. **Granting leave** for Defendant to file redacted replacement exhibits in which the protected personal identifying information identified at Sections III.A and III.B above is obscured by black-box redaction applied to the PDF, with all other content of the exhibits remaining unaltered;
15. **Directing the Clerk** to substitute the redacted replacement exhibits on the public-display docket in place of the originally-filed exhibits, with appropriate notation that the substitution is pursuant to this Order;
16. **Confirming** that this Order does not alter the evidentiary status of either exhibit, does not waive Defendant's right to introduce the unredacted exhibits at hearing or trial under appropriate evidentiary protocols, and does not affect the substantive arguments made in the underlying Motion for Change of Venue or Brief on Federal Preemption; and
17. Granting such other and further relief as this Court deems just and equitable.

Respectfully submitted,

/s/ Conrad A. Rockenhaus
