

STATE OF MICHIGAN
IN THE CIRCUIT COURT FOR THE COUNTY OF WAYNE
THIRD JUDICIAL CIRCUIT, FAMILY DIVISION

ADRIENNE MARJORIE ROCKENHAUS,
Plaintiff/Counter-Defendant,

Case No. 26-104594-DO
Hon. Nicole N. Goodson

v.

CONRAD ALAN ROCKENHAUS,
Defendant/Counter-Plaintiff.

**AFFIDAVIT OF CONRAD ALAN ROCKENHAUS IN SUPPORT OF
MOTION FOR DEFAULT JUDGMENT ON COUNTERCLAIM**

STATE OF MICHIGAN
COUNTY OF WASHTENAW

I, CONRAD ALAN ROCKENHAUS, being first duly sworn, depose and state on personal knowledge and on documents in my possession or available to me as follows:

I. AFFIANT IDENTIFICATION

1. I am the Defendant and Counter-Plaintiff in the above-captioned matter, appearing pro se. I am over the age of 18 and competent to make this Affidavit. I have personal knowledge of the facts set forth herein except where otherwise indicated, and if called as a witness, I could and would testify competently to the matters herein.

II. SERVICE AND FAILURE TO PLEAD

2. On April 15, 2026, I served my Answer to Verified Complaint for Divorce, Affirmative Defenses, and Counterclaim on counsel of record for Plaintiff/Counter-Defendant, Lisa Baker, Esq. (P82555) of Aldrich Legal Services, PLLC, by First-Class U.S. Mail addressed to 276 South Union Street, Plymouth, MI 48170. The proof of service is in the case record.
3. As of the date of this Affidavit, no answer, motion, or other responsive pleading to the Counterclaim has been served on me or filed with this Court by or on behalf of Plaintiff/Counter-Defendant. I have monitored my mail, my email accounts at conrad@rockenhaus.net and crockenhaus@icloud.com, and the docket of this case continuously since April 15, 2026.

**III. SSA-DEMANDED SSDI OVERPAYMENT, DOCUMENTARY RECORD
(RESERVED FOR PROPER FORUM)**

4. On dates within my recollection in early 2026, I received from the Social Security Administration ("SSA") a written demand for return of \$12,074.50 in overpayments paid to my SSA-appointed Representative Payee, Adrienne Marjorie Rockenhaus, while I was incarcerated and unable to monitor the account. The SSA demand letter is addressed to "Adrienne Rockenhaus FOR Conrad A Rockenhaus" at her Farmington Hills mailbox.
5. A true and correct copy of the SSA demand letter is attached as **Exhibit A** to this Affidavit. Personally identifying information has been redacted in the attached copy in accordance with this Court's prior orders on PII.

6. Counter-Defendant served as my SSA-appointed Representative Payee under 42 U.S.C. § 405(j) and was subject to the federal fiduciary duty imposed by that statute and its implementing regulations. The SSA demand letter establishes that, in SSA's administrative determination, \$12,074.50 was overpaid to Counter-Defendant and is recoverable.
7. The facts in this Section III are offered to establish breach of fiduciary duty for purposes of the deemed-admitted record on the Counterclaim and to inform the Court's exercise of discretion on Count B (accounting), Count G (disproportionate-division weighting at any subsequent property-division stage), and Count H (sanctions). I do not seek monetary recovery of the \$12,074.50 overpayment in the Motion for Default Judgment that this Affidavit supports. The SSDI-overpayment recovery is reserved for the proper forum, namely SSA's administrative process and any federal action that may follow, as set forth in §VII.A of the contemporaneously filed Motion.

IV. CONVERSION OF \$26,837.87 IN DIVERTED VA DISABILITY COMPENSATION

8. From September 2025 through February 2026, I was incarcerated and could not personally manage my Department of Veterans Affairs ("VA") Disability Compensation deposits. During this period, Counter-Defendant Adrienne Marjorie Rockenhaus accessed my va.gov account using my id.me credentials without my authorization. She was not appointed as my VA fiduciary at any relevant time and had no lawful authority to access my account, change my direct-deposit destination, or receive my VA Disability Compensation payments.
9. Counter-Defendant used her unauthorized access to my va.gov account to redirect my direct-deposit instructions, causing my monthly VA Disability Compensation payments to be deposited into accounts under her control rather than into accounts authorized by me.
10. The VA Payment History records I have obtained from VA reflect monthly Disability Compensation payments ranging from approximately \$4,317 to \$4,673 during the period September 2025 through February 2026, totaling \$26,837.87 in payments diverted to accounts under Counter-Defendant's control. The VA Payment History reflects, for each diverted payment, the specific date of payment, the specific dollar amount, and the specific routing destination. The VA Payment History also reflects a returned payment on October 1, 2025 in the amount of \$4,673.44, marked "Undeliverable: Bad Address," during a period in which Counter-Defendant represented to me by TRULINCS email that "the VA pay has not been deposited for this month."
11. A true and correct copy of the VA Payment History I obtained, together with a redacted summary table showing the specific date, amount, and routing destination of each diverted payment, is attached as **Exhibit B** to this Affidavit. Personally identifying information has been redacted.
12. Each of the diverted payments is specifically identifiable by date, amount, and routing destination in the VA Payment History. Counter-Defendant had no lawful claim to any of those payments at any point. The funds are accordingly property of mine that Counter-Defendant tortiously converted by exercising dominion over them inconsistent with my rights, in the meaning of Michigan common-law conversion. The total measure of damages established by Exhibit B is \$26,837.87.

V. PERSONAL PROPERTY WRONGFULLY RETAINED

13. As of the date of my release from federal custody on March 2, 2026, I had no access to and no possession of: my wallet and its contents (driver's license, VA ID, bank cards); my Social Security card; my birth certificate; my DD Form 214 military discharge document;

my VA Award Letter; my Apple iPhone 16e and charger; my Apple iPad and charger; my Apple Mac Mini; my backpack with clothing; or any of my other personal effects that had been at the Ross Drive residence at the time of my incarceration. Each of these items was in my possession or under my control before my incarceration. None has been returned by Counter-Defendant.

14. I do not have a complete present-day inventory of items still retained, because the items in question include the very identification documents I would need to recover them. The deemed-admitted record on the Counterclaim establishes Counter-Defendant's retention of the property as enumerated.

VI. PREMARITAL INTERNET DOMAINS

15. I have continuously owned the internet domain rockenhaus.com since 1999, more than two decades before my marriage to Counter-Defendant on May 20, 2023. I have continuously owned skyphusion.com and greyponyit.com since dates predating the marriage as well. WHOIS history records and registrar records reflect these registrations, and a WhoisXMLAPI lookup of rockenhaus.com is included in the case file as documentary corroboration.
16. None of these domains was acquired during the marriage. Each is my premarital separate property.
17. Since the filing of the Personal Protection Order in February 2026, Counter-Defendant has continued to control rockenhaus.com (including its DNS records, hosting, and email), through her administration of the Google Workspace tenancy at rockenhaus.com. She has used rockenhaus.com as a public-advocacy hub during the same period in which she has represented to law enforcement and to this Court that she is in fear of me. She has retained the registrar credentials, DNS settings, and hosting accounts notwithstanding the premarital character of the domains.

VII. CANNABYTES, LLC, OFFICER STATUS

18. I am a formally designated officer of Cannabytes, LLC, holding the title of Vice President of Systems Engineering. I am listed as such in the LLC formation documents on file with the Michigan Department of Licensing and Regulatory Affairs and in the company's internal records. During the marriage, I served as the systems engineer and technical infrastructure manager for Cannabytes, LLC, building, maintaining, and administering the company's technical systems. Counter-Defendant was approved by U.S. Probation as my employer through Cannabytes, LLC.
19. Since the filing of the Personal Protection Order, I have been excluded from all Cannabytes, LLC operations, systems, and accounts. I have received no accounting of business revenues, expenses, assets, or liabilities. I have no access to the company's financial records, customer accounts, or internal communications.

VIII. VERIFIED STATEMENT DEFECTS (MCR 3.206(C), SCAO FORM FOC 23)

20. Counter-Defendant filed a Verified Statement on SCAO Form FOC 23 pursuant to MCR 3.206(C) with her Verified Complaint on April 9, 2026. I have reviewed that Verified Statement as filed in the case record. It is facially incomplete as to Counter-Defendant's own income. Item 18 (Occupation) is completed as "Self Employed." Item 19 (Business/Employer) is completed as "Cannabytes, LLC." Item 20 (Gross weekly Income) is left blank. By contrast, the same form fields completed by Counter-Defendant about me at items 41 and 43 include both my occupation and a specific dollar figure for gross weekly income.

21. From my direct testimonial knowledge gained during the marriage, I also know the following facts about Counter-Defendant's income that are not disclosed anywhere in the Verified Statement. Counter-Defendant is the income beneficiary of a third-party-settled trust established by her deceased mother. The trustee is her nephew, Robby. Counter-Defendant receives approximately \$2,000 per month in distributions from the trust. The trust has been distributing to Counter-Defendant on a recurring monthly basis throughout the marriage and through the present. To my knowledge, the corpus is held subject to a spendthrift provision; the recurring monthly distributions to Counter-Defendant are post-distribution.
22. None of the trust facts in Paragraph 21 is disclosed in Counter-Defendant's Verified Statement. Combined with the blank gross-weekly-income field at item 20, the Verified Statement is incomplete both on its face and substantively as to "all sources of income" required by MCR 3.206(C). I bring these facts to this Court's attention not to seek separate relief in the Motion that this Affidavit supports, but to inform the Court's exercise of discretion in entering default judgment and to provide context for any subsequent damages-hearing or property-division proceedings under MCL 552.19, MCL 552.401, and MCL 552.452.

IX. VERIFICATION

23. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

This review is described in more detail on the attached form SSA-3105, Important Information About Your Appeal, Waiver Rights, and Repayment Options. If You Want Help With Your Appeal

You may choose to have a representative help you. We will work with this person just as we would work with you. If you decide to have a representative, you should find one quickly so that person can start preparing your case.

Your Monthly Benefits

Below we show the monthly changes to CONRAD ROCKENHAUS' benefit amount from October 2025 through February 2026.

The dollar amounts in the column "Monthly Amounts Credited/Paid" are the amounts we thought he was due each month based on information we had at the time. Based on the information we now have, we have corrected the amounts that he was due during this time. We used these "Corrected Monthly Amounts" to decide whether we paid him too much or too little.

Months	Monthly Amounts Credited/Paid	Corrected Monthly Amounts
October 2025 through November 2025	\$2,375.00	\$0.00
December 2025 through February 2026	\$2,441.50	\$0.00

The amounts credited or paid to CONRAD ROCKENHAUS may not match the payments he actually received. This is because there may have been reasons in his case why we could not pay him this amount. For example, we may have withheld Medicare premiums or money because of another debt.

DEPARTMENT OF VETERANS AFFAIRS PAYMENT HISTORY INQUIRY (REDACTED) WITH SUMMARY TABLE OF DIVERTED PAYMENTS, SEPTEMBER 2025 THROUGH FEBRUARY 2026

****Source System:**** Department of Veterans Affairs, Payment History Inquiry (commonly abbreviated TINQ) ****Payee of Record:**** CONRAD A ROCKENHAUS ****Period Reflected:**** Disability Compensation payment activity through 02/27/2026 ****Period Relevant to Counterclaim Count C (VA Component):**** September 2025 through February 2026
****Total Diverted to Accounts Under Counter-Defendant's Control:**** \$26,837.87

This Exhibit reproduces the redacted Payment History Inquiry record obtained by Defendant from the Department of Veterans Affairs, reflecting monthly Disability Compensation payments issued by the United States Treasury to the routing destination on file during the period September 2025 through February 2026. During that period, Defendant was incarcerated and had no access to the va.gov account, no ability to manage his own direct-deposit instructions, and no actual or constructive control over the routing destination on file. Counter-Defendant Adrienne Marjorie Rockenhaus accessed the va.gov account using Defendant's id.me credentials without authorization, redirected the direct-deposit instructions, and caused each monthly payment in the period to be deposited into accounts under her control. Counter-Defendant was not appointed Defendant's VA fiduciary at any relevant time and had no lawful authority to receive any payment reflected herein. The Payment History reflects a returned payment of \$4,673.44 on October 1, 2025 marked "Undeliverable: Bad Address (1)," cancelled October 3, 2025, during the precise period in which Counter-Defendant represented to Defendant by TRULINCS electronic message that "the VA pay has not been deposited for this month." The Payment History also reflects the retroactive reissue of that same \$4,673.44 payment on October 9, 2025. This Exhibit is accompanied

by a redacted summary table setting forth, for each diverted payment in the September 2025 through February 2026 period: (i) the date of payment, (ii) the dollar amount of the payment, and (iii) the routing destination as reflected in the Payment History. The summary table is the documentary foundation for the \$26,837.87 figure pleaded at WHEREFORE Count C (VA component) of the Counterclaim and at Section IV of the Affidavit. Personally identifying information has been redacted in accordance with this Court's prior orders on PII. This Exhibit is the documentary foundation for the conversion claim pleaded in Counterclaim Count C (VA component) on the common-law theory recognized in Aroma Wines & Equipment, Inc. v. Columbia Distribution Services, Inc., 497 Mich. 337 (2015); Lawsuit Financial, L.L.C. v. Curry, 261 Mich. App. 579 (2004); and Head v. Phillips Camper Sales & Rental, Inc., 234 Mich. App. 94 (1999). Each diverted payment is specifically identifiable by date, amount, and routing destination. The total measure of damages on the VA component is \$26,837.87.

The 08/29/2025 payment is included in this Exhibit as documentary context establishing the routing baseline that immediately preceded the conversion period. It is *not* included in the \$26,837.87 measure of conversion damages.
