

STATE OF MICHIGAN
IN THE THIRD JUDICIAL CIRCUIT FOR THE COUNTY OF WAYNE
FAMILY DIVISION, DOMESTIC RELATIONS

ADRIENNE MARJORIE ROCKENHAUS,
Plaintiff/Counter-Defendant,

v.

CONRAD ALAN ROCKENHAUS,
Defendant/Counter-Plaintiff.

Case No. **26-104594-DO**

Hon. **Nicole N. Goodson**

**ORDER GRANTING DEFENDANT/COUNTER-PLAINTIFF'S EMERGENCY
MOTION FOR PRESERVATION ORDER AND ORDER PROHIBITING
SPOILIATION OF EVIDENCE**

At a session of said Court held in the City of Detroit, County of Wayne, State of Michigan on _____, 2026.

PRESENT: Hon. **Nicole N. Goodson**, Circuit Judge

This matter having come before the Court on Defendant/Counter-Plaintiff Conrad Alan Rockenhaus's Emergency Motion for Preservation Order and Order Prohibiting Spoliation of Evidence filed May 13, 2026; and

The Court having considered the Motion, Defendant's contemporaneously filed Chain of Custody Supplement, the records and files in this proceeding, and the applicable law including MCR 3.310, MCR 2.310, MCR 2.302(B)(6), and the Court's inherent equitable authority; and

The Court being fully advised in the premises;

THE COURT FINDS THAT:

1. On May 12, 2026, default was entered against Plaintiff/Counter-Defendant on Defendant's Counterclaim pursuant to MCR 2.603(A), rendering the factual averments of the Counterclaim conclusively admitted as to liability. *Wood v. Detroit Auto. Inter-Ins. Exch.*, 413 Mich. 573, 582 (1982).
2. The factual record set forth in the Motion at §§III.A through III.I establishes both the operational capacity and the demonstrated pattern of Plaintiff/Counter-Defendant to engage in conduct that risks spoliation of evidence material to the deemed-admitted Counterclaim.
3. Electronic evidence held at third-party platforms is uniquely susceptible to immediate destruction by the account holder, with limited or no retention-window recovery available after deletion. *Brenner v. Kolk*, 226 Mich. App. 149, 162 (1997).
4. Defendant has demonstrated each of the four factors articulated in *Pontiac Fire Fighters Union Local 376 v. City of Pontiac*, 482 Mich. 1, 8 (2008): likelihood of success on the merits (established by the May 12, 2026 entry of default); irreparable injury (electronic evidence subject to single-user spoliation at platforms with limited retention); balance of

harms (no cognizable harm to Plaintiff/Counter-Defendant who has no legitimate interest in destroying evidence); and consistency with the public interest in the integrity of the judicial process.

5. The factual record at §III.A of the Motion (vacation of the marital residence at 26695 Ross Drive on May 9 and 10, 2026 without forwarding information) and at §III.H of the Motion (coordinated multi-wave cessation of public content across eleven X sockpuppet accounts between March 17 and April 11, 2026) establish that the threatened spoliation is imminent on a timeline incompatible with the speed of ordinary motion practice.
6. The ex parte component of the relief is justified under MCR 3.310(B)(1)(a) on the showing of facts demonstrating that immediate and irreparable injury, loss, or damage will result before Plaintiff/Counter-Defendant can be heard in opposition.
7. The security requirement of MCR 3.310(D) is appropriately waived on the basis that the relief imposes no cognizable harm on Plaintiff/Counter-Defendant.

NOW, THEREFORE, IT IS HEREBY ORDERED:
