

STATE OF MICHIGAN
IN THE THIRD JUDICIAL CIRCUIT FOR THE COUNTY OF WAYNE
FAMILY DIVISION, DOMESTIC RELATIONS

ADRIENNE MARJORIE ROCKENHAUS,
Plaintiff,

v.

CONRAD ALAN ROCKENHAUS,
Defendant.

Case No. **26-104594-DO**

Hon. **Nicole N. Goodson**

**DEFENDANT'S NOTICE OF ERRATA TO PLEADINGS FILED APRIL 15 AND APRIL 16,
2026**

NOW COMES Defendant, **Conrad Alan Rockenhaus**, appearing pro se, and respectfully gives notice of the following corrections to pleadings previously filed in this matter. Each correction below is non-substantive in nature and is filed of record to ensure the docket reflects accurate text. No correction below alters the relief requested in any underlying pleading or affects the substantive arguments made therein.

**I. CORRECTIONS TO DEFENDANT'S MOTION FOR LEAVE TO SERVE EXCESS
INTERROGATORIES (FILED APRIL 16, 2026)**

1. Numbering inconsistency. The Motion's title-block narrative references "thirty-seven (37)" interrogatories; ¶1 references "thirty-eight (38)"; ¶¶4 and 7 and Prayer ¶2 reference "thirty-six." The number actually served upon Plaintiff with the discovery package is **thirty-seven (37)**, and that number is the operative figure. All references in the Motion shall be read as conforming to "thirty-seven (37)."

2. Roman-numeral section skip in accompanying Interrogatories. The Interrogatories served upon Plaintiff are sectioned I, II, III, V, VI, VIII, IX, X, XI, XII, XIII, XIV. Sections IV and VII are absent due to a final-assembly artifact. The sections shall be read as renumbered sequentially I through XII, with no substantive content gap.

3. Duplicate request pairs in accompanying Requests for Production. Section XI (RFP Nos. 44 and 45) and Section XVI (RFP Nos. 57 and 58) contain textually identical requests. Defendant withdraws Section XVI, RFP Nos. 57 and 58, as duplicative of Section XI, RFP Nos. 44 and 45. Plaintiff is not required to separately respond to Section XVI, RFP Nos. 57 and 58.

4. Numerical floor in accompanying Request for Admission No. 15. Request for Admission No. 15 currently reads "nine or more sworn declarations." Defendant amends Request for Admission No. 15 to read "at least five sworn declarations." The substantive admission sought is the fact of volume of federal court declarations, not the precise count.

II. CORRECTIONS TO DEFENDANT'S ANSWER AND COUNTERCLAIM (FILED APRIL 15, 2026)

5. Counterclaim ¶32.a, quoted admission. Counterclaim ¶32.a quotes Plaintiff's February 9, 2026 written communication as describing the closure of the joint SoFi account as "extra judiciously" effected.¹ The intended word is "extrajudicially," meaning without judicial process. Defendant's quotation reproduces Plaintiff's original wording verbatim and is not a drafting error by Defendant. Counterclaim ¶32.a shall be

read with the original quotation preserved and with the bracketed clarification "[sic; meaning extrajudicially]" understood to follow Plaintiff's word.

6. Counterclaim ¶50, rockenhaus.com registration date. Counterclaim ¶50 states that the rockenhaus.com domain has been "owned since 1999." The current WHOIS record reflects a Creation Date of September 7, 2001 through the current registrar. Counterclaim ¶50 shall be read as: "The domain rockenhaus.com has been continuously held by Defendant since 1999; current WHOIS records reflect a creation date of September 7, 2001 through successor registrar." The premarital character of the domain, established at Counterclaim ¶50 for purposes of MCL 552.401, is unchanged by this clarification.

III. CORRECTION TO DEFENDANT'S OMNIBUS THREE-LAYER MOTION (FILED APRIL 16, 2026)

7. Omnibus ¶14, SSDI overpayment period. Omnibus ¶14 characterizes the SSDI overpayment period as "November 2025 and March 2026." The Social Security Administration's March 12, 2026 demand letter (BNC No. 26D1153B02352-A) addressed to Plaintiff as Defendant's Representative Payee identifies the overpayment period as "10/2025 to 03/2026." Omnibus ¶14 shall be read as: "October 2025 through March 2026," conforming to the SSA's own characterization of the overpayment period.

IV. RESERVATION

8. The corrections set forth above are non-substantive and do not alter or expand the relief requested in any underlying pleading. Defendant reserves the right to file additional notices of errata as further drafting matters are identified, and to address through separate motion any matter requiring substantive amendment, sealing, or other relief beyond mere correction of text.

Respectfully submitted,

/s/ Conrad A. Rockenhaus

1. The original word as written by Plaintiff is preserved because the precise wording of Plaintiff's February 9, 2026 communication is anticipated to be material to discovery regarding the circumstances and authority under which the joint SoFi account was closed on or about September 17, 2025.
