Defendant, v. Conrad Alan Rockenhaus,
Defendant/Counter-Plaintiff.

Case No. 26-104594-DO Hon.
Nicole N. Goodson

COMPREHENSIVE WITNESS AFFIDAVIT OF PAMELA JORDAN

STATE OF MICHIGAN)

) ss.

COUNTY OF WAYNE)

I, **Pamela Jordan** (printed name), being duly sworn and under penalty of perjury, hereby state the following:

1. IDENTITY. My name is Pamela Jordan. I am _____ years of age. I reside at _____, Redford Township, Michigan. I am the sister of Ann Helgren, who is also a witness in this matter and who has separately executed affidavits in this proceeding. From my residence I have regular line-of-sight to 26695 Ross Drive, Redford Township, Michigan. I have personal, firsthand knowledge of the matters stated in this affidavit.

2. PURPOSE AND BASIS OF KNOWLEDGE. I provide this affidavit based on my personal, firsthand knowledge of the following categories of events: (a) my last personal observation of Plaintiff/Counter-Defendant Adrienne Marjorie Rockenhaus at 26695 Ross Drive on April 24, 2026; (b) my general line-of-sight observations of activity, occupancy, and vehicle presence at 26695 Ross Drive during the period from approximately March 2026 through May 2026; (c) handwritten signs I personally observed on the front door of 26695 Ross Drive on or about March 29, 2026; (d) printed signs I personally observed on the front door of 26695 Ross Drive on or about April 9, 2026; (e) a Facebook post published on May 4, 2026 that named me by name; (f) my participation in a walk-in report to the Redford Township Police Department on May 5, 2026; (g) my observations on the evening of Saturday, May 9, 2026 of activity vacating 26695 Ross Drive; and (h) my observations on the evening of Sunday, May 10, 2026 of additional activity at 26695 Ross Drive.

3. LAST PERSONAL OBSERVATION OF PLAINTIFF/COUNTER-DEFENDANT AT 26695 ROSS DRIVE. I am a neighbor of 26695 Ross Drive, Redford Township, Michigan, with regular line-of-sight to that residence from my own residence. The last date on which I personally observed Adrienne Marjorie Rockenhaus at or in the immediate vicinity of 26695 Ross Drive was April 24, 2026. From April 24, 2026 through the date of this affidavit, I have not personally observed Adrienne at or returning to the residence at 26695 Ross Drive.

4. GENERAL LINE-OF-SIGHT OBSERVATIONS OF 26695 ROSS DRIVE FROM APPROXIMATELY MARCH 2026 THROUGH MAY 2026. Based on my routine personal observations from my own residence during the period from approximately March 2026 through May 2026, 26695 Ross Drive was generally occupied through approximately mid-April 2026, and was generally unoccupied thereafter. Throughout this period, the vehicle I recognized as Adrienne's automobile remained parked in front of 26695 Ross Drive. I did not personally observe Adrienne's automobile being driven during this period. I did not personally observe Adrienne coming and going from the residence during this period in any pattern consistent with regular occupancy. To my observation, Adrienne kept a low profile in the sense that I rarely observed her presence at the residence or her movement to or from it.

5. THE MARCH 29, 2026 HANDWRITTEN SIGNS ON ADRIENNE'S DOOR. On or about March 29, 2026, I personally observed two handwritten signs posted on the front door of 26695 Ross Drive. The signs were visible to me from my residence. I personally photographed the signs. A true and accurate copy of my photograph of these signs as they appeared on the front door of 26695 Ross Drive on March 29, 2026 is attached hereto as **Exhibit A**.

6. THE APRIL 9, 2026 PRINTED SIGNS ON ADRIENNE'S DOOR. On or about April 9, 2026, I personally observed multiple printed signs covering substantially the front door of 26695 Ross Drive. The signs were visible to me from my residence. I personally photographed the signs. A true and accurate copy of my photograph of these signs as they appeared on the front door of 26695 Ross Drive on April 9, 2026 is attached hereto as **Exhibit B**.

7. THE MAY 4, 2026 FACEBOOK POST NAMING ME. On or about May 4, 2026, I learned of a Facebook post published under Counter-Plaintiff Conrad Rockenhaus's account containing language characterized in the post as a "[SYSTEM ALERT] DEAD MAN'S SWITCH." The post named five persons whom the post identified as "responsible for [Conrad Rockenhaus's] death." I was named in that list. Learning that my own name had been published in a list identifying persons "responsible for [his] death" was distressing to me. I had no involvement of any kind in the publication of that post. I have no knowledge or reason to believe that Counter-Plaintiff authored or authorized the post; I understand the post to have been published while his Facebook account was compromised.

8. MY PARTICIPATION IN THE MAY 5, 2026 REDFORD POLICE DEPARTMENT WALK-IN. On May 5, 2026, I was present at the Redford Township Police Department along with Counter-Plaintiff and my sister Ann Helgren to make an in-person report concerning the Facebook post described in paragraph 7 above and related concerns. Counter-Plaintiff was the primary reporting party. I corroborated the matters reported as a witness, based on my personal knowledge that I was named in the May 4, 2026 Facebook post as described in paragraph 7. The walk-in was received by Officer Young (badge #192) of the Redford Township Police Department. The matter was assigned a Redford Police Department case number, which I understand to be Case 26-7649.

9. THE SATURDAY MAY 9, 2026 EVENING VACATION OF 26695 ROSS DRIVE. On the evening of Saturday, May 9, 2026, I personally observed activity at 26695 Ross Drive, Redford Township, Michigan, from my own residence. I personally observed an unknown adult male and a white pickup truck at 26695 Ross Drive during the loading of household property from the residence into the truck. I did not personally observe Adrienne Marjorie Rockenhaus during this activity. I personally observed photographs taken by my sister Ann Helgren that same evening that depicted the same activity I observed.

10. THE SUNDAY MAY 10, 2026 EVENING SECOND TRIP TO 26695 ROSS DRIVE. On the evening of Sunday, May 10, 2026, I personally observed additional activity at 26695 Ross Drive, Redford Township, Michigan, from my own residence. I observed two adult females present at 26695 Ross Drive for a period of approximately one hour during the evening. From my line-of-sight position I was not able to identify the vehicle they used to arrive or depart. One of the two females was a brunette. I am not able to confirm whether either of the two females I observed was Adrienne Marjorie Rockenhaus.

11. NO COMPENSATION. I am making this statement voluntarily. I have not been offered or given any compensation, promise of benefit, or inducement in exchange for this affidavit. I am making this statement because it is the truth based on my personal, firsthand knowledge.

12. BASIS OF KNOWLEDGE. Everything stated in this affidavit is based on my personal, firsthand knowledge. I personally observed Adrienne Marjorie Rockenhaus at 26695 Ross Drive on the date stated in paragraph 3, and I have personal awareness of her absence from that residence since that date. I personally observed the signs, the activity, and the vehicles described in this affidavit from my own residence, and I personally photographed the signs described in paragraphs 5 and 6. I personally was present at and participated in the Redford Police Department walk-in described in paragraph 8. I am not making any statement in this affidavit based on hearsay or speculation. Where this affidavit refers in

paragraph 9 to photographs taken by my sister Ann Helgren, my own statements are limited to what I personally observed from my residence on the evening of May 9, 2026.

13. TRUTH OF STATEMENT. I declare under penalty of perjury under the laws of the State of Michigan that the foregoing is true and correct to the best of my knowledge and belief.

Executed on this _____ day of _____, 2026, at Redford Township, Michigan.
